## MARPLE NEWTOWN FOOTBALL BOOSTERS SPONSORSHIP OPPORTUNITY

Dear Marple Newtown Football Patron:

The Marple Newtown Football Program enjoyed another successful year in 2009. Part of the success of the football program is due to the continued support of our program’s patrons. Because of that support in 2009, the Marple Newtown Tigers reached the PIAA playoffs for the second time in four years and ended the season with a 7-4 record overall.

The Marple Newtown Football Boosters Club is looking forward to the upcoming season and we are already in the process of securing sponsorship for the 2010 football season.

The Boosters Club organizes a program book each football season that is distributed at every home game. We encourage all Marple Newtown families and others who attend our games to support our sponsors. We know that your business will enjoy continued success with the ads placed in the game day program.

Once again, we are offering a pullout savings coupon to our patrons. This will allow you to gauge the success of the advertisement through the coupons. This will be advertised on the front cover of the program to “See Valuable Coupons Enclosed.”

In addition to an advertisement in our program book, the Boosters Club would like to promote your business on the Tigers Radio Network. During the 2010 season, the Tigers Radio Network will provide play-by-play coverage of all Marple Newtown home football games for the third consecutive year. Home games will be available to listen to online at [www.marpleneowntownfootball.com](http://www.marpleneowntownfootball.com) starting at 6:50PM. A podcast will also be available to download following each home game. Podcasts can be downloaded via iTunes, [www.marpleneowntownfootball.com](http://www.marpleneowntownfootball.com) and [www.eyeofthetigersblog.com](http://www.eyeofthetigersblog.com).
